### Toys for Tots 2022 Announcement

We are happy to announce that the Little Shell Tribe will be distributing “Toys for Tots” from the US Marines again this year.

This event will take place at the Little Shell Cultural/Event Center, 1529 Stuckey Road, Great Falls, in December. We do not have a distribution date set but will announce it on the Little Shell Facebook and Website as soon as we know when we will receive the toys.

This is the Official Little Shell Tribal Website:

Due to the COVID pandemic, we will be doing the Drive-through pick up for Tribal members that submit completed forms and have them turned in by December 2<sup>nd</sup> at 5:00pm.

You can find the forms on our website and Facebook page.

After you completely fill out the form (**we will not process forms not completed**) and make sure you have a valid phone number on them, you can drop them off at the Little Shell Programs Office at 615 Central Avenue West, Great Falls; or email them to [frontdesk@lstribe.org](mailto:frontdesk@lstribe.org) or [c.hill@lstribe.org](mailto:c.hill@lstribe.org)

All Montana Tribes get the same toys each year and distribute to their communities. **We DO NOT** mail or ship out toys.

If you submit a form requesting toys, you must pick them up the day of distribution.

Miigwech, may the Creator bring you blessings.
